

# Reaching UIC Campus Housing

The University of Illinois at Chicago and Campus Housing are easily accessible from the [CTA Blue Line](#). CTA Blue Line trains provide frequent service from O'Hare Airport (travel time ~ 50 minutes) and downtown (travel time ~ 10 minutes). [CTA Orange Line](#) trains serve Midway Airport. Please refer to the [CTA map](#) for instructions on transferring from the Orange Line to the Blue Line in the downtown area.

If you're taking public transportation and coming from the CTA Blue Line, you'll want to get off the "L" at the UIC/Halsted stop. Once you're off the train, the best way to get to UIC and Campus Housing is to head to the Halsted Street Exit - the closest one to the end of the train if you are traveling from either O'Hare Airport or downtown.

Once you're on the street level, you'll want to head south on Halsted Street. (The station exit is located at approximately 450 S. Halsted.)

The entrance to SRC Campus Housing (Commons West) is located at 700 S. Halsted, which is a short walk from the CTA. Enter through the portico and proceed into the courtyard. Housing check-in for the people staying in Commons West will be the first floor of the atrium building that will be on your left.

If you are staying at Robert Beckham Hall, continue walking south (past CCC) to Roosevelt Road. It's about a 15-minute walk, and is a bit less than one mile from the Blue Line. Alternatively, you can wait for the [Halsted Bus \(#8\)](#), which runs about every 15 minutes. Please request the first stop after the Roosevelt Road. Housing check-in will be at the front desk. (The walk back to CCC takes about 7 minutes.)
